

## MOVIE SCREENING AT MERCY COLLEGE

THE REMARKABLE JOURNEY OF **CATHOLIC NUNS**  
IN THE UNITED STATES

FROM DAUGHTERS OF THE CHURCH TO  
CITIZENS OF THE WORLD

# BAND of SISTERS

A FILM BY MARY FISHMAN

*Band of Sisters* follows two nuns during the course of four years as they work for the rights of immigrant detainees. The film illuminates the cutting-edge work of other sisters in housing, healthcare for low income households, and in the movement to close the School of the Americas. It also explores how new understandings of the universe story have led sisters to a deepening understanding of our roles and responsibilities as humans on the planet.

The film's goals are: to make known and keep alive this dramatic story that is so important to our country and to the Catholic church; to help the sisters in their mission and to give them well-deserved recognition for their accomplishments; and to inspire others.
